Roger Arquer BIO

Roger Arquer was born in Barcelona, Spain in 1975. Graduated in Industrial Design at ESDI in Sabadell, Barcelona (1998).

A year after of his graduation, he moved to New York City to work as industrial designer where he worked two year at Karim Rashid Inc.

In 2003, after New York,, he moved in London to attend a MA in Design Products at the Royal College of Art (2003-2005). During the summer break in RCA he worked as designer for Alfredo Haberli in Zurich, Switzerland.

He set up his own design practice in London in 2005, just after finishing RCA.

Since he was student he has received design awards, such as Opus Design Award (Japan), Coram Design (Netherlands), Adi-Fad (Barcelona), RCA Society/Thames & Hudson Book Prize (London), among others.

He also has been exhibiting his work: Design Museum (London 2005-6), British Council Design Exhibition (Milan 2005), aRChAeology at Royal College of Art (London 2005), or Park and Products at Serpentine Gallery (London 2004), On/Off Design Experience (Seoul 2005), among others.
